**Somebody's got to change the world,
Somebody better save this world**

**Could be you; Could be me
Why not we together?
For we share Planet Earth,
We're all in this together**

**I can feel it in my heart
I believe that LOVE is much stronger than hate
Wait there's more!**

**Deep down in my soul
I know that PEACE will prevail over war
WAR NO MORE!**

**I can feel it in my bones
I believe that music can change the world
I can feel it in my bones
I believe that music can change the world**

**We're governed by the greedy
the O-zone is depleting
we're needed by the needy
and Mother Earth is bleeding
but her heart is still beating**

WAR NO MORE!!
